Important Information	

Employers' Liability Tracing Office

If **your** policy provides Employers' Liability cover information relating to **your** insurance policy will be provided to the Employers' Liability Tracing Office (the "ELTO") and added to an electronic database, (the "Database") in a format set out by the Employers' Liability Insurance: Disclosure by Insurers Instrument 2010.

The Database assists individual consumers (the Claimants) who have suffered an employment related injury or disease arising out of their course of employment in the UK whilst working for employers carrying on, or who carried on, business in the UK and who are covered by the employers' liability insurance of their employers to identify:

- which insurer (or insurers) was (or were) providing employers' liability cover during the relevant periods of employment; and
- the relevant employers' liability insurance policies.

The Database and the data stored on it may be accessed and used by the Claimants, their appointed representatives, insurers with potential liability for UK commercial lines employers' liability insurance cover and any other persons or entities permitted by law.

The Database will be managed by the ELTO and further information can be found on the ELTO website: www.elto.org.uk
